## SCENARIO 3

Victoria is a 15-year-old student with two brothers, a mom, and a lot of friends and schoolmates. Victoria and Marek are schoolmates and are working together on a project in science class. Yesterday, they had a science test and when everyone received their results, Marek noticed that Victoria looked very upset. The next week, Victoria is absent from school for several days, so Marek has to work on the science project by himself. When she returns, she tells Marek that she has to see the doctor, but she doesn't say anything else.

 Does anyone need to know about Victoria's test results? Her medical history? Why? \_\_\_\_\_
